New Grocery

BROWN BUILDING, EAST WHITNER
J. F. Gary, Proprietor

Having lost my right hand in the Asphalt Plant two weeks ago, and having a family to support, I am compelled to seek some other means of support; so I have decided to open up a Retail Grocery Store, and cater to the Mill people around Anderson for the greater part of my business.

I have bought a stock of Brand New and Fresh Groceries. They are being put into the store NOW. We will open for business

Wednesday, August 15, 1915

and we will appreciate your trade. We will show our appreciation by close prices, and fair and honest treatment.

Mr. J. C. Burk will be associated with me in the management of this business, and any courtesies shown him will be appreciated by both he and I.

Remember the place—Brown Building, East Whitner Street, where you will receive fair, honest treatment.

Teaching a Whole Country How to Cook.

In the current issue of Farm and Fireside appears an article describing the important work being done in Pettis county, Missouri, where Miss Mildred Henton has been hired as "county woman" to teach women and girls of the county how to cook and sew. Visiting two schools a day, the county woman makes her rounds. On one day the girls of the country schools have lessons in cooking; on another day the subject under discussion is plain sewing. The cooking lessons are in every sense practical and suitable to the ages and needs of the various members of the classes.

Sage Tea Darkens Hair to Any Shade

Don't Stay Gray! Here's an Old-Time Recipe That Anybody Can Apply.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grand-mother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of "Wright's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark, glossy, soft and abundant.
